Labor costs will be prorated per hour in 15 minute increments or multiples thereof, with a minimum charge of \$15.00 for a cash transaction. If the City must invoice to obtain payment, the minimum charge will be \$35.00.

H. Development Services Billing Process

Applicants submitting land use planning applications or seeking real property development services must submit a deposit based on the estimated amount of time for review of an application. The required deposit amounts are provided in Article II, *Planning and Development*, and Article VI.A, *Engineering*. Billing invoices will be mailed during the review of the deposit-based application, if charges exceed the deposit. If costs exceed the deposit, the deposit must be replenished when prompted to do so by City staff. Prompt payment of invoices will ensure continued processing of the project. Unpaid invoices are considered late after 30 days of non-payment. Non-payment of billed charges may result in any of the following actions until outstanding charges are paid in full:

1. Temporary cessation of processing of the application;

2. Withholding final action on an application;
3. Cessation of work on all project-related applications and actions including engineering, landscape, building, or planning inspection of the work;
4. A determination that any application has been withdrawn without prejudice and closure of the file;
5. Outstanding invoices being sent to a City designated collection agency; or
6. Withholding of any approval documentation/subsequent processing of applications until full payment is received.

The City reserves the right to offset any shortages in other accounts by the same applicant or billing party. See introduction to Article II, *Planning and Development*, for additional information about the policies and procedures regulating the deposit-based applications.

Pursuant to this resolution, the deposit amounts are adjusted administratively and are updated from time to time based on the average cost to process the various application types. The deposit amounts below are provided as a convenience to applicants. However, applicants are encouraged to confirm deposit amounts with City staff prior to submittal. City Council Resolution No. 2010-23 (*Land Use and Development Service Deposit* policies) is available for review at: www.fremont.gov/permit.
